MEMORANDUM FOR: Acting Chief, DRC

FROM : Chief, SES

SUBJECT :: Consultation Fee for Prospective
Source Heinz GAST

1. Subject arrived at DRC on 9 September and is now being assessed by SES to determine whether he merits acceptance as a DRC/SES source. Being a German he will not be processed for bona fides, but will be exploited for his positive intelligence information directly following a favorable assessment. Should this assessment, which is now in progress, not be favorable he will most probably be sent to Camp King, which has already shown an interest in him.

2. Permission is requested to begin payment of source at a consultation rate of 400 DMW per month, beginning with his date of arrival and to continue until the end of his exploitation. Should he not be accepted at DRC, this payment will be terminated upon the date of rejection and will thus have been made only for the period he was under intensive assessment, a process involving just as much work and cooperation on his part as a regular debriefing.
